ABSENCES AND LATE ARRIVALS

If your child is not going to be in school or is going to be late, please call the attendance line (616-748-3410). Be sure to clearly speak your child's name, grade, teacher, and the reason for the absence. If your child is sick please leave a description of their symptoms. We must track every student who is not in school. This is very important for the safety of our students. Often we spend a lot of time on the phone trying to reach a parent whose child is absent.

Also, if your child will be arriving late and needs a lunch, please leave the lunch choice (A or B) on the attendance line. We are unable to order lunch for your child unless you request one before 9am.
