The Cityside school-wide "FUN"RAISER

Cityside "FUN-raiser!" Our only school-wide fundraiser will take place on Friday, September 20th, and we need YOUR help! More details will come out when school starts but be thinking about who could sponsor you as we Read, Run and Recognize those that we appreciate! "Fun-raiser" funds are used to offset the costs of field trips, for our positive behavior incentive programs, for rewards and activities, and to give Cityside students those "extras" that make our school such a special place to be! Every child benefits from our fundraiser funds! We can't wait to make this year our most successful one to date!

Get in the School Spirit!

This is the only order we place for the year so don't miss out!
