

# DON'T FORGET!

## EDUCATION BENEFITS FORM

**We need your help** to ensure our schools receive important state and federal funding by completing the Education Benefits Form, which collects information for educational program grants.

Even though all students get free breakfast and lunch this year, filling out this form can also provide your child with additional services like summer food support, help with school fees, and potential household support for internet and cable.

Please see your building principal if you have any questions.
