## DRESSING FOR THE WEATHER

We all know that Michigan has very unpredictable weather! Be sure your child is ready for the changes. Students will be outside for two recesses a day and they should be prepared with coats, hats and footwear that are appropriate for the weather. Being dressed appropriately makes the recess periods a more pleasant time to get some fresh air and "recharge the batteries" for another round of classroom learning. The following guidelines should be observed when sending your child to school: Less than 40 degrees = Winter Coats are needed; 41-50 degrees = arms should be covered; over 51 degrees = no restrictions for sleeves/coats. Thank you for your cooperation!
