Love & Lean Walk/Run for Mental Health

This year's event is on Saturday, April 26 at 9:00 am. The start will be at the south side of the stadium parking lot. Funds from this event support the Be Nice extension program for the 9th grade PE classes at ZPS, as well as the Mental Health Foundation's work in the advancement of raising mental health awareness, suicide prevention and saving/changing lives.

Rollerskating in PE

2nd–5th grade students will be roller-skating in PE March 17–April 25. Students are asked to bring an extra pair of “just in case socks” to make sure they have a clean/dry pair to use for class. Students are also encouraged to bring helmets, wrist guards and their own skates/roller blades if they have them. Parents—Please make sure that your child is able to tie his/her own shoes. Being able to tie allows more time for skating practice and instruction. Your support is appreciated.

ZPS Community Bond Survey

Zeeland Public Schools is looking ahead to the future, and we want your input! We encourage everyone to take this [community bond survey](#) to provide feedback on proposed 2025 bond projects. This survey will help us understand which projects matter most to our community so we can prioritize within the bond budget and make the most impactful improvements for students. Bonds play a vital role in keeping our schools safe, functional, and equipped for the future. It's exciting to dream about what the future might hold, and with our community's support, we can make meaningful upgrades that will benefit students for years to come. If you have any questions about the bond, the survey, or related topics, please reach out to Interim Superintendent Matt Stolz at mstolz@zps.org.

Thank You from Cora's Care Closet

Our collection for Cora's Closet during the Walk Program last week was a huge success. Lincoln

provided them with their biggest donation to date and they were running low on many products. Thank you Lincoln families for your generosity.
