## Pick Up Parking on Elm Street

If you are parking on Elm at the end of the school day, please do not park near the corner of Lincoln. Several of our after-school buses use Elm for their routes and parking near this corner may cause a problem for the buses to turn onto the street safely. The safest place to park on Elm is past the first driveway in a designated spot on the right side of the road.

## Student Safety

If you are picking your child(ren) up by the crosswalk at Lincoln and Elm Streets, please use the crosswalk with your children. We continue to talk to our kids about being safe and one way we can all do this is by using the designated crosswalk and crossing guard. This will help continue to support of our kids being safe as they get home each day.
