## CLASS AND PROGRAM DESCRIPTIONS

**Aqua Combat:** Class incorporates kickboxing–style combinations with cardio "spikes" in chest deep water. It is structured in rounds, each consisting of 40 seconds of fight combinations and a 20 second spike, which is repeated 3 times, and followed by 1 minute of rest and recovery.

**Aqua Fit Deep:** A medium intensity deep water workout that combines cardio, core, and strength training.

**Aqua Fit Shallow:** A low–to–medium intensity shallow water workout designed to improve joint stability, coordination, heart health, toning, and strength.

**Deep Water Walking:** A self–led aquatics program that allows you time in the pool to build you own routine and exercise at your own pace. The deep end of the pool only is available at this time. Fitness equipment is available.

**Family Open Swim:** Fun for all ages! The diving board, youth water slide, basketball hoops, and other pool toys and floats are available, along with life jackets, puddle jumpers and infant floats for non–swimmers.

**Firm H2O:** A mix of shallow and deep water high intensity interval, strength, and endurance training.

**Firm H2O Gold:** A shallow–only version of Firm H2O that includes stretching, strength, and endurance training.

**Lap Swim:** A cardio and strength workout that doesn't put strain on bones or joints and burns tons calories!

**Paddle & Play Open Swim:** A special time for parents and young children to enjoy playtime with friends. Flotation devices are provided. A guardian must be in the water to provide supervision for their child.

**Water Fitness:** A self–led aquatic workout that allows you to design your perfect routine. Water fitness offers a fantastic cardio and muscle workout. Both the shallow and deep ends of the pool are available at this time.
