If you have specific questions or something you would like to discuss during our walks, please seek me out as I would love to chat with you about your health journey. Each week we will have a new healthy habit education that will be given at the end of the walks and posted on our group Facebook page. Anyone in the community is welcome to join! Generally, we walk for 30-45 mins.

**Get your steps in, learn a healthy habit, and socialize!**
